The LGC Summit is the annual forum for chief executives or their deputies to discuss the key challenges facing the sector. The 24 hour summit provides an unrivalled opportunity to hear from pioneers, thought leaders, decision makers and innovators as we address the challenge of how best to lead places through complex times.

- High level debate on how we can develop a more prosperous, cohesive and fairer future for communities
- Debate and discussion on the economic outlook - and the challenges for council finance
- Ending the old and efficient delivery in a digital era
- How can compassion be harnessed to ensure that communities flourish
- Integrated care - a task for everyone in the council
- A safe space for discussion with peers to share difficulties and work together to solve common challenge

What the delegates say

"Excellent and thought provoking - how could you improve it? You can’t! The best Summit yet!"
David Hagg, Chief Executive, Stroud DC

"Excellent calibre of speakers, open, honest discussions of the most important issues. Great audience and organisation"
Jacqui McKinlay, Chief Executive, Centre for Public Scrutiny

"A great opportunity to hear from and debate with national quality speakers on the main topics affecting public services"
Council Chief Executive
